

## FAME - NEVER ALONE

I've seen the lightning flashing, I've heard the thunder roll  
I've felt sin's breakers dashing, trying to conquer my soul  
I've heard the voice of Jesus telling me to fight on  
He promised never to leave me, no, never alone

Never alone, never alone, oh, never  
Never alone, never alone  
He'll never leave you alone

The world's fierce winds are blowing, temptations sharp and keen  
I felt a peace in knowing my Savior stands between  
He stands to shield me from danger when earthly friends are gone  
He promised never to leave me, no, never alone

Never alone, never alone, oh, never  
Never alone, never alone  
He'll never leave you alone

He'll never leave you alone

When in affliction's valley, I'm treading the road with care  
My Savior helps me to carry a cross too heavy to bear  
My feet entangled with briers, ready to cast me down

He'll never leave you alone

When in affliction's valley, I'm treading the road with care  
My Savior helps me to carry a cross too heavy to bear  
My feet entangled with briers, ready to cast me down

He'll never leave you alone

Never, never, never  
Never, never, never  
Never, never, never

Oh, He'll never leave you alone
